Exploration and Early Colonization (1491-1607)	2 weeks		Key Concept 1.1 — As native populations migrated and settled across the vast expanse of North America over time, they developed distinct and increasingly complex societies by adapting to and transforming their diverse environments. Key Concept 1.2 — Contact among Europeans, Native Americans, and Africans resulted in	Essential Questions: Trace the rise of the English nation-state between 1492 and 1607. What important factors influenced this rise? In what ways did later colonization efforts attempt to learn from earlier experiences? To what extent was there religious freedom in the colonies?
