Cell: 18

Comment: Can we add 1A? It fell off the roster?

Ideally, we'd like to group 1, 1A, and 1B together as well...

-Sarah Johnson

Do they use the same book? If so, that will be easy.

-Lori Taylor

I accidentally deleted your Algebra 2 comment...we can group them, too...except 2B is on a different schedule, so we either way until 2B is up again or ask for a special request (which shouldn't be a problem, especially if all of the courses use the same text)

-Lori Taylor

Yes. Same book for 1, 1A and 1B. Do we need 1A on it's own cycle or can we group 1A & 1B?

I realize 2B is technically on a different schedule, but we really did implement them all at the same time, so I'm confused....

-Sarah Johnson

You're fine :) I'll have all of the Algebra 1 varieties together and all of the Algebra 2 varieties together (you didn't spend any money last year when you did 2B Stage 2, so I don't see this being an issue.)

-Lori Taylor
